Teleunit signs IP agreement

LONDON (AFX) - Teleunit SpA has signed an agreement with LEAD IP Systems to provide feature-rich telephony lines to both business and residential customers throughout Italy.

LEAD IP Systems is a developer and supplier of full turnkey Internet Protocol telephony and data security access systems for broadband service providers.

Gianfranco Cimica, Chief Executive of Teleunit, said: 'This is a great deal for Teleunit and confirms our strategy of investing in Internet protocol technology.

'Working in conjunction with LEAD, I am confident that we can target the fast-growth residential market to complement our existing, strong SME presence.'
