#### **About Teleunit SpA**

Based in Perugia in Central Italy, Teleunit is a telecom services provider to both business and residential customers throughout Italy. The Group operates in three distinct sectors: voice and data services (providing fixed line voice and data, wholesale, and wireless services to customers across Italy) and premium access services. Through its subsidiary, Neomobile SpA, Teleunit is also an active player in the Mobile Entertainment D2C arena. The Group is looking to expand its operations selectively in Italy and internationally. Teleunit listed on AIM in May 2004, the first Italian company to complete a primary listing in London. For more information, please visit the website: <http://ir.teleunit.it>
